PROFILE

UI designer with a background in video production, audio/video engineering and fine art. Creative visual designer with a firm understanding of structure and story telling. Passionate about creating streamlined workflows that provide the end user the best possible experience.

EXPERIENCE

UI/UX CareerFoundry Projects (More examples on my webpage and Behance site)

- **All Sports Training App:** (Mobile App for iOS and Android Platforms)
UI/UX Designer on the project. Created an app designed to fulfill the need for more sport specific training regimens for amateur athletes.

- **Contemporary Cuisines:** (Responsive Web-App)
UI/UX Designer on the project. Created an interactive app for busy people to find and prepare meals as well as interact by submitting recipes as well as saving grocery lists and favorite recipes.

- **SumDay Saving App:** (Mobile and Responsive App)
UI/UX Designer on the project. Created an app that would help people save money quickly in preparation for a big purchase or expenditure.

Video Production Manager, Educational Symposia; Tampa, FL - 1999-Present
- Integrated live conference with live stream and video recording to produce over 20 medical meetings per year.

- Created a streamline process where our team creates over 350 hours of medical education per year in the DVD, USB and Video On-Demand formats.

- Managed and schedule live crews and video editors as well the liaison between Graphics, IT, Accreditation and Meeting Planning departments.

EDUCATION

CareerFoundry, Certificates in UI Design and Frontend Development
Ui Immersion, Frontend Development for Designers - 2021

University of South Florida, Tampa, FL (Graduated Cum Laude)
Bachelors of Fine Art (Fine Art Film) - 1996
